

HOW TO USE THE HCV RESOURCE GUIDE

HCV Resource Guide is intended to assist you in accessing the services you need quickly and effectively. You can find the services in the guide by looking at the Contents on Page 1, or you can see the types of services that are listed in this directory and where they can be found.

Essential Hepatitis C Services can be accessed regardless of your Ability to Pay (ATP). The services presented in this guide are mostly free or offered at low cost.

We recommend that you call prior to visiting the agency to ensure the information is accurate, if an appointment is needed and/or whether the agency's required services are rendered to registered clients only.

The information presented in the guide was reported to us by agencies throughout Los Angeles County and sections of California. If you discover inaccurate information, we encourage you to email your comments to hepctf@hhcla.org. We will make every effort to ensure that this information is accurate.

This guide may not include all services available in all categories.

Inclusion of an organization in the guide does not signify endorsement.
